ELCX Kings Landing 599D is the MAGS Xyloid son who has garnered the attention of numerous producers across the country for his impeccable ability of siring individuals with look, power and substance. His dam is the one and only WLR Prada female. WLR Prada is one of the most consistent producers of champions within the breed that go on to make world-class sires and donor females. She is a daughter of MAGSWL Usual Suspect 538U and the infamous AUTO Rebeca 292S donor. PBRS 5136C is the dam of these embryos. She is a daughter of MAGS Anchor, the LH War Hero 195W son. Her dam is BUF Eppionia 7307, a daughter of SAV 8180 Traveler 004. These three conventional embryos will have a first class pedigree. Combine DHVO Deuce 132R, EXLR New Generation 071M, SAV 8180 Traveler 004, MAGSWL Usual Suspect 538U and AUTO Rebeca 292S- they'll be a true force! Embryos will be 56% Lim-Flex and double homozygous.

Located at Four Corners Embryo Transfer, 918.589.2700, 1146 NE 455th Dr, Adair, OK 74330.

She is a daughter of MAGSWL Usual Suspect 538U and the infamous AUTO Rebeca 292S donor. ELCX Empress 752E is a daughter of SAV International 2020, the \$400,000 record-selling Angus bull in 2013. His progeny are consistent, performance-oriented and packed full of natural muscle shape and thickness. This female's dam is ELCX Twilight 114X, a female sired by DHVO Deuce 132R and from the highly productive DFCL HBHPC 1S donor. Folks, the quality runs incredibly deep with these three conventional embryos. Embryos will be 62% Lim-Flex and double homozygous.

CJSL Creed 5042C is the powerful MAGS Aviator son who completely took the Limousin breed by storm. His dam is a daughter of MAGS Xukalani. SBLX Xtra Special needs no introduction- she's known across the industry as one of the greatest Limousin donor females in the breed. She is a daughter of DHVO Deuce 132R and out of the famed MAGS Manuela donor. She is a maternal sister to the impressive SBLX Znote female. Now is your opportunity to cultivate your program with highly predictable and proven genetics from some of the all stars within the breed. These three conventional embryos will be 76.5% Limousin, homozygous black and double polled.

Located at Four Corners Embryo Transfer, 918.589.2700, 1146 NE 455th Dr, Adair, OK 74330.

Possibly one of the most talked about Limousin sires in the breed today is TASF Crown Royal 960C. He is the DHVO Deuce 132R son out of the beautiful TASF Whiskey Lullaby 357W female. TASF Whiskey Lullaby 357W is an EXLR Nasdaq 380R daughter. TASF Crown Royal 960C sired the 2018 North American International Livestock Exposition Grand Champion Limousin female exhibited by Kinnick Paulsen. The dam in this embryo mating is AUTO 411D, a daughter of TMCK Hydraulic 17Y and the highly productive MAGS Wallpaper female. TMCK Hydraulic 17Y is the proven and reputable SAV Pioneer 7301 son. These three conventional embryos will be 83.5% Limousin and double homozygous. You'll want to get your hands on these embryos- they might just be the next best thing to grace the industry!

Duff Red Bear 18154 was the \$80,000 top-selling bull at the 2020 Power Plus Bull Sale. He was the first MANN Red Box 55C son to sell and is from a Canadian-bred female, Red CC Pantera 20A. These Red Angus genetics have generated countless champions and high valued progeny across the country. PBRS Ruby Red 8214 is the impressive dam in this one of a kind mating. She is a daughter of the legendary Six Mile Taurus 519A and the famed SLGN Stony's Tempest 778T. Six Mile Taurus 519A is the Six Mile Game Face 164Y son who has been a leading sire in numerous top programs in the breed. SLGN Stony's Tempest 778T is one of the Red Angus breed's finest donor females and she is a daughter of SLGN Regulator 503R. The depth of pedigree present in the embryos is top-tier! These three conventional embryos will be purebred Red Angus.

Located at Four Corners Embryo Transfer, 918.589.2700, 1146 NE 455th Dr, Adair, OK 74330.

Congratulations to the Ratliff Family in Westphalia, KS for their success and all they have done in creating what they have with the progeny of Riverstone Charmed 50C. It needs to be noted that the David and Michelle, Chase and his siblings have been so instrumental in the creation of some of the finest cattle ever created in the Limousin business. Ratliff Gabby and Ratliff Google are two of the finest they have created and are some of the winningest females ever created by the Ratliff Family. The one single mating that has taken the cattle business like a world wind is the blending of Silveiras Style back on Riverstone Charmed 50C. There are so many championship honors by the select few that were lucky enough to have them that they are too numerous to mention. Silveiras Style 9303 has dominated the show world in such a prestigious way across numerous breeds. Style's progeny have claimed more champion titles over a nine year period than any other bull out there and there is something special when he is mated to 50C and now we think the same will be true as he has been mated to her full sister 50F. The Sullivan Farms and KLS Farms, Inc. donor female in this mating is Riverstone Lucky Charm 50F, a full sister in blood to the one and only Riverstone Charmed 50C. She is the "One" female that has won to many show titles to mention and the show heifer known as "Larissa." She is sired by TMCK Durham Wheat 6030X and out of the HSF Your Fantasy female. The embryo selling will be full siblings IN BLOOD to some of the finest Lim-Flex cattle ever created in the breed!

Located at Four Corners Embryo Transfer, 918.589.2700, 1146 NE 455th Dr, Adair, OK 74330.

Selling full possession and 50% embryo interest of this guaranteed heifer pregnancy. The Ratliff Family have put more sweat and labor into the showing and exhibiting of one of the greatest females to ever exist, Riverstone Charmed 50C! She is known as "The Ratliff" heifer that took every single show ring by storm and turned so many cattlemen's heads along the way. The Ratliff Family are responsible for the success and accomplishments of her along the way. She is an absolute "one of a kind" female that only comes along once in a lifetime. We congratulate the entire Ratliff Family on the success they have had and continue to have in the business. Together Madison Ratliff of Westphalia, KS and "Larissa" most notably took the highly coveted North American International Livestock Exposition Supreme Champion Female honors in 2016. This female is a daughter of TMCK Durham Wheat 6030X and out of the HSF Your Fantasy female. Durham Wheat is the DHVO Deuce 132R son out of the MAGS Strawberry Pie female. HSF Your Fantasy needs absolutely no introduction because she is one of the Limousin breed's most prominent and prolific donor females to ever exist. She is out of a Carrouseles Nasdaq daughter, HSF Tinkerbell and she is sired by MAGS War Admiral. She is 95% Limousin and homozygous black and heterozygous polled. You will not want to miss this tremendous opportunity to add the most elite genetics in the industry today to your program!

Located at Four Corners Embryo Transfer, 918.589.2700, 1146 NE 455th Dr, Adair, OK 74330.

KLS SULL Charmer is the recently \$52,000 valued herd sire prospect recently sold in the 2020 Night on the Town III Sale where full possession and half semen interest was purchased by Ridgeland Cattle Company. This bull is wicked good- he is gigantic boned, impeccable in his structure and build, flawless fronted and insanely powerful in his design. He is a son of TASF Crown Royal and out of the famed Riverstone Charmed 50C female. TASF Crown Royal is the DHVO Deuce x TASF Whiskey Lullaby 357W son that has taken over the entire breed with his powerful influence. Riverstone Charmed 50C needs no introduction- she is the "Larissa" Ratliff show heifer that will go down in history as one of the greatest show females of all time. She made her mark during her storied show career. She is now generating progeny that command top dollar and completely dominate any arena they walk into. The Ratliff Family is responsible for creating some of the finest and very best progeny ever created on this planet. We want to thank them for all they have done in bringing the Limousin cattle promotion to the level of what it is today! KLS SULL Charmer is a PUREBRED Limousin bull that has all the potential in the world to be at the very top of the Limousin breed and far beyond! You'll want to be a part of this phenomenal offering- this is the opportunity of a lifetime to have KLS SULL Charmer influencing your program. We are more than thrilled to have this remarkable purebred bull's semen come on the market and it is being offered at a very reasonable figure, with the plan to allow any breeder at any level influence their programs.
